

## **GSCCC Stakeholder Meeting Summary**

### **June 18, 2010**

On June 18, 2010, the Granite State Clean Cities Coalition held its quarterly stakeholder meeting at NH DES, 29 Hazen Drive, Concord, NH. Twenty-two stakeholders, guests and State employees attended the meeting.

The meeting began with introductions and updates. Dolores Rebolledo, GSCCC Coordinator, provided a brief power point slideshow and review of the highlights of June 4<sup>th</sup> Green Your Fleet! fleet manager workshop.

Rebecca Ohler, Climate, Energy and Transportation Programs Manager for NH DES, provided an overview on the Low Carbon Fuel Standard initiative and the eleven state Memorandum of Understanding, and an update on the progress of the LCFS committee since the signing of the MOU in 2009 (see “Low Carbon Fuel Standard Presentation” on the “Calendar” of the [GSCCC website](#)).

The meeting officially adjourned at 11:20; however, many attendees continued discussions on the Low Carbon Fuel Standard and other topics.

The next GSCC quarterly stakeholder meeting will be held on August 4<sup>th</sup> at NH DES 9:00-11:30 a.m. Guest speaker will be Michael Scarpino, U.S. Department of Energy’s Clean Cities Program Manager.
